Dear Mr. Shaver:

Your June 13, 2011 request to allow for the temporary storage of iron sludge in the Crandall Canyon sediment pond is hereby approved. This approval is stipulated on Genwal Resources, Inc. using the methods described in your June 13th request and utilizing the methods described in Appendix 7-65 (Mine Discharge Water Iron Treatment Facility) of the approved MRP. Genwal must also revise Appendix 7-65 to reflect current conditions (such as no longer using Wildcat Loadout for Sludge disposal).

Please provide the revised Appendix 7-65 along with the required C1/C2 form by no later than July 18, 2011.

If you have any questions, please call me at (801) 538-5325 or Steve Christensen at (801) 538-5350.

Sincerely,
